

Fall 2009 MTI Course Offerings

As part of the Idaho Math Initiative, all elementary and secondary math teachers as well as administrators are required to complete three credits of mathematics professional development. Three sections of a course titled Mathematical Thinking for Instruction have been created to address the needs of elementary, middle and high school teachers. All elementary and secondary math teachers as well as administrators will be required to take one of these courses for re-certification by the year 2015.

For more information visit www.sde.idaho.gov or <http://dmt.boisestate.edu>. Or contact the Initiative for Developing Mathematical Thinking at 208-426-4650.

Note: All dates and locations are tentative and subject to change.

Please see the course applications for specific times, dates and meeting locations.
